WORK EXPERIENCE

Exclusible

City: Porto | Country: Portugal

[04/05/2026 – 03/07/2026]

UGC Manager - Internship

- Managed the Roblox UGC workflow from concept development and retexturing to asset import and publication.
- Created and adapted textures for UGC items while maintaining the visual identity of different Roblox stores.
- Imported and prepared UGC assets for Roblox, working with rigs and cages and checking that items were correctly set up before publication.
- Published UGC items, including preparing names, descriptions and tags.
- Reviewed pending items daily and prioritized publication, importing, concept creation or texture work according to the team's needs.
- Worked closely with the team lead, following feedback and production guidelines throughout the workflow
